FROM: Ellen L. Holder, ~~CEAT~~ CEAT-TechLaw
DATE: May 8, 1987
SUBJECT: Location of Original Chain-of-Custody Records (Traffic Reports, Airbill, Chain-of-Custody Records)

According to Bud Summers, Radiochemistry Supervisor at Accu-Labs, the original custody documents can be located with the inorganic case file produced by Accu-Labs.

The CEAT will have a record of the date the inorganic and radiochemistry case files were sent to the region. If this information is needed, please call (303) 233-1248.

This information was received via telephone conversation between Ellen L. Holder and Bud Summers on May 7, 1987.
